Author: Yasunobu Tsuiki Story: Tsuki wo Kakeru Shoujo Production Committee

After 17 military years on Earth, Mikoto Kanno's journey was about to be ended by a freak accident. That life-giving but cruel incident, which had stolen from her the ability to feel, was finally undone. She was left with all the memories of her past life, and a farewell letter from the boy she'd loved. But all her emotions got mixed up because she is forced to make that crucial decision. She realizes how powerful representations that draw one's heart can be sometimes.
